## **Robert Marshall, A Doctor, Veteran, and Public Servant, Announces Run for US Senate in Illinois**

**Berwyn, Illinois-** Republican Robert Marshall announced today that he is officially a candidate for the United States Senate. Dr. Marshall grew up in a large family in public housing but worked hard to fulfill his dream of becoming a doctor. He proudly enlisted to serve his country during the Vietnam War. Following his time in the armed forces he was granted admission to Harvard Medical School. Now he privately practices radiology, doing so since 1984 after years serving as Assistant Director of Radiology at MacNeal Hospital.

“I am running for the United States Senate because we need someone with a public service background that will bring Health Care expertise that will bring solutions that will be pro-tax payer and be centered on the patient but we also need someone who will support President Trump’s fight to secure our border, fight for fiscal responsibility, and make the American taxpayer the top priority”

Having served his community as member of the Burr Ridge Board of Trustee, board of director for the PAV YMCA in Berwyn, and participant for the Burr Ridge/Willowbrook Chamber of Commerce and the Berwyn Development Corporation, Dr. Marshall brings experience in being a fiscal stuart for taxpayers. He believes this will be a welcoming voice for the Illinois Republican Party and the United States Senate.

“I look forward to sharing my vision in the Illinois Republican Primary on how to best grow the Republican Party in Illinois and beat Dick Durbin to bring a much needed Conservative voice in Illinois”

Senator Dick Durbin continues to demonize the other side of the isle rather than work with the President to solve the country’s most pressing issues. Dick Durbin began his political career in 1982 and has become a voice for Democratic Leadership rather than the Illinois residents.

Dr. Marshall lives in Burr Ridge with his wife Susan and three children and looks forward to a campaign that will be solution-based and a call for better public servants.

The campaign’s website is [citizensforrobertmarshall.net](http://citizensforrobertmarshall.net). Facebook page is coming soon!
